Agency response

The City of Smithville is located at the intersection of US Highway 169 and 92 Highway, which connects Smithville to three interstate highways, I-29 to the west, I-35 to the east, and I-435, which encircles Kansas City, is located just one mile south of the Smithville city limits. According to recent figures supplied by the Missouri Department of Transportation, approximately 3.9 million vehicles pass through the city each year. The volume of traffic is due to the proximity to the Kansas City metro area for jobs, the large number of families moving to the rural area, and recreational activities associated with the Smithville Lake area. Smithville Lake is a 7,000 acre recreational lake with two public golf courses. The lake records in excess of one million visitors per year and an estimated 75,000 rounds of golf are played at the golf complex.
